Amount of PPG received per pupil	£1320
Total amount of PPG received	£103,220 (including 4 LAC pupils and one Services Ever5 pupil)
Carry forward from 2018-19 year	£15,841
Total amount for 2019-20 year	£119,061

Rationale for spending in financial year 2019/20

The rationale for allocating Pupil Premium Grant this year has been informed by the following:

- data from last year's impact report,
- the identification of this year's current cohort needs as informed by class teachers,
- best practice as suggested by Sutton Trust,
- current research,
- ongoing discussion with parents and carers.

Flexible, targeted support will be put in place to address academic need across all year groups, ensuring that all pupil premium pupils have access to improve outcomes within identified areas of learning (with a continued focus on the school's priority area - Maths). This can be both in the short and the longer term. Social, emotional, behavioural data shows that a number of vulnerable pupils need support with pastoral needs and this will be targeted this year, with an additional focus on training staff to meet our pupils' needs.

Specific areas to target:

- KS2 pupils not on track to make end of Y6 targets as informed by data (and Pupil Progress Meetings),
- Identified pupils across the school who are below ARE expectations to be tracked/ supported in order to ensure their progress remains comparable with peers/national expectations,
- Pupil Premium pupils with SEN: our Year 6 contains a number of pupils in receipt of PPG who also have SEN. This provides an extra layer of challenge. SEND pupils are focused on in Pupil Progress Meetings.
- The wellbeing and mental health of our pupils is a growing concern. We aim to address this by training staff in emotional literacy. This year, for the first time, we will also seek to employ a counsellor/therapist to address the needs of particularly vulnerable pupils.
- Development of World Garden - the aim is to provide areas in school to improve pupils' wellbeing and give them opportunities to get outdoors throughout the year. An additional aim is to invite parents into school to become involved in gardening projects - research shows that parental engagement in school is a key factor in improving outcomes for pupils in receipt of the PPG.

Pupil Premium Grant Area	2019-20 Cost	% of PPG	Details	Impact Review 2019-20
Quality First Teaching	£47,874	40%	Target PPG pupils within lessons/maintain small class sizes. Specific focus on PPG pupils with SEN.
