

Dream, Believe, Achieve.

St Benedict's C of E VA Junior School
Glastonbury

**Special Educational Needs and Disabilities Policy
(SEND)**

Dream, Believe, Achieve.

Legislative Compliance

This policy complies with the guidance given in **Statutory Instrument: Special Educational Needs (Information) Regulations (Clause 64)**. It has been written as guidance for staff, parents or carers and children with reference to the following guidance and documents.

SEN Code of Practice (which takes account of the SEND provisions of the SEN and Disability Act 2001) September 2014

Ofsted Section 5 Inspection Framework January 2014

Ofsted SEN Review 2010 "A Statement is not enough"

Equality Act 2010

Education Bill 2011

Children and Families Act 2014

This policy needs to be read in conjunction with the 'SEND Information Report' which outlines to parents and outside agencies the school's provision for pupils with Additional Needs. The Offer is regularly updated on the school's website.

Inclusion Statement

- We endeavour to achieve maximum inclusion of all children (including vulnerable learners) whilst meeting their individual needs.
- Teachers provide differentiated learning opportunities for all the children within the school and provide materials appropriate to children's interests and abilities. This ensures that all children have a full access to the school curriculum.
- Special Educational Need might be an explanation for delayed or slower progress but is not an excuse, and we make every effort to narrow the gap in attainment between vulnerable groups of learners and others.
- English as an Additional Language (EAL) is not considered a Special Education Need. Differentiated work and individual learning opportunities are provided for children who are learning EAL as part of our provision for vulnerable learners.
- We focus on individual progress as the main indicator of success.
- We strive to make a clear distinction between "underachievement" – often caused by a poor early experience of learning - and special educational needs.
 - Some pupils in our school may be underachieving but will not necessarily have a special educational need. It is our responsibility to spot this quickly and ensure that appropriate interventions are put in place to help these pupils catch up.
 - Other pupils will genuinely have special educational needs and this **may** lead to lower-attainment (though not necessarily to under-achievement). It is our responsibility to ensure that pupils with special educational needs have the maximum opportunity to attain and

Dream, Believe, Achieve.

achieve in line with their peers. Accurate assessment of need and carefully planned programmes, which address the root causes of any learning difficulty, are essential ingredients of success for these pupils. These will be provided, initially, through additional support funded from the devolved schools budget.

Aims and Objectives of this Policy

The aims of our inclusion policy and practice in this school are:

- To provide curriculum access for all
- To secure high levels of achievement for all
- To meet individual needs through a wide range of provision
- To attain high levels of satisfaction and participation from pupils, parent and carers
- To carefully map provision for all vulnerable learners to ensure that staffing deployment, resource allocation and choice of intervention is leading to good learning outcomes.
- To ensure a high level of staff expertise to meet pupil need, through well targeted continuing professional development.
- To work in cooperative and productive partnership with the Local Authority and other outside agencies, to ensure there is a multi-professional approach to meeting the needs of all vulnerable learners.
- To “promote children’s self-esteem and emotional well-being and help them to form and maintain worthwhile relationships based on respect for themselves and others”. (National Curriculum, 2000).

1. **Information about the school's policies for the identification, assessment and provision for pupils with special educational needs, whether or not pupils have EHC Plans, including how the school evaluates the effectiveness of its provision for such pupils: see <http://stbenedictsjuniorschoolglastonbury.org/sen-local-offer/> for our School Offer.**
2. **The school’s arrangements for assessing the progress of pupils with special educational need are outlined in the School Offer.**

*“Special educational provision is educational or training provision that is **additional to** or **different from**” that made generally for others of the same age. This means provision that goes beyond the differentiated approaches and learning arrangements normally provided as part of high quality, personalised teaching”*

SEN Code of Practice (2014)

Dream, Believe, Achieve.

STAGE 1 Well-differentiated, quality first teaching, including, where appropriate, the use of Wave 1 or Wave 2 Interventions. All vulnerable learners to be included on a whole-school provision map.

- All learners will have access to quality first teaching.
- The routine and prolonged withdrawal from mainstream of children with EAL is not recognised as good practice and does not promote rapid language acquisition. Language acquisition is best promoted through a range of good, inclusive strategies, interventions and differentiation of the usual school curriculum.
- Some vulnerable learners will have access to Wave 1 or Wave 2 interventions. These will probably be pupils who are underachieving and have been identified by the school as needing to make accelerated progress but will not necessarily be pupils with special educational needs. This is considered to be a differentiation of the usual school curriculum – not a special intervention for pupils with SEND.

Identification and Assessment at Stage 1

Children's needs should be identified and met as early as possible through:

- the analysis of data, reading ages, and other whole-school pupil progress data
- classroom-based assessment and monitoring arrangements. (Cycle of planning, action and review.)
- following up parental concerns
- tracking individual children's progress over time,
- information from previous schools
- information from other services
- undertaking, when necessary, a more in depth individual assessment - this may include a range of commercially available assessments, carefully chosen to deliver appropriate, useful information on a pupil's needs. It may include a bilingual assessment where English is not the first language.
- involving an external agency where it is suspected that a special educational need is significant.

Curriculum Access and Provision for vulnerable learners

Where children are underachieving and/or identified as having special educational needs, the school provides for these additional needs in a variety of ways and might use a combination of these approaches to address targets identified for individual pupils.

- teachers differentiate work as part of quality first teaching
- Wave 1,2,3 interventions
- other small group withdrawal

Dream, Believe, Achieve.

- individual class support / individual withdrawal
- further differentiation of resources

Monitoring and Evaluation

The monitoring and evaluation of the effectiveness of our provision for vulnerable learners is carried out in the following ways:

- classroom observation by the SENDCO and senior leaders.
- on-going assessment of progress made by intervention groups
- work sampling on a termly basis.
- scrutiny of planning.
- teacher interviews with the SENDCO
- informal feedback from all staff.
- pupil interviews when setting new targets or reviewing existing targets
- pupil progress tracking using assessment data (whole-school processes)
- monitoring targets, evaluating the impact of Pupil Passports on pupils' progress.
- attendance records and liaison with EAO.
- regular meetings about pupils' progress between the SENDCO and the Headteacher
- Headteacher's report to governors

Stage 2 Additional SEND Support

- Pupils will be offered additional SEND support when it is clear that their needs require intervention which is 'additional to' or 'different from' the well-differentiated curriculum offer for all pupils in the school i.e. they have a special educational need as defined by the SEN Code of Practice 2014.
- Under-achieving pupils and pupils with EAL who do not have SEND will **not** be placed on the list of pupils being offered additional SEND support (but will be on the school's provision map).
- In keeping with all vulnerable learners, intervention for pupils on the SEND list will be identified and tracked using the whole-school provision map.
- It may be decided that a very small number, **but not** all of the pupils on the SEND list will require a multi-disciplinary assessment process with health and social care in order to consider the need for an Education Health and Care Plan.
- Where there is a recognised need, teachers will create a 'Pupil Passport' outlining strategies for addressing that need and including short term targets for achievements. This document will be kept in the classroom and accessed by the child, the class teacher, teaching assistants and parents. It will be reviewed termly in conjunction with parents at parent's evening.

Dream, Believe, Achieve.

Stage 3 Statement of Special Educational Needs or Education Health and Care Plan

- Pupils with a statement of educational needs (pre September 2014) or an Education Health and Care Plan (post September 2014) will have access to all arrangements for pupils on the SEND list (above) and, in addition to this, will have an Annual Review of their statement/plan.
- Our school will comply with all local arrangements and procedures when applying for an Education Health and Care Plan and will ensure that all pre-requisites for application have been met through ambitious and pro-active additional SEND Support using our devolved budget at an earlier stage.
- Our review procedures fully comply with those recommended in Section 6.15 of the Special Educational Needs Code of Practice and with local NCC policy and guidance - particularly with regard to the timescales set out within the process.

Inclusion of pupils with English as an additional language

Definition

A pupil who has English as an Additional Language is a pupil whose first language is not English, and who uses that language on a regular basis inside or outside of school. EAL pupils are not considered to have a Special Educational Need, but are seen to benefit from the ability to live and learn in more than one language.

Ethos

We strive to recognise, welcome and celebrate linguistic and cultural diversity and have a high expectation of all pupils regardless of ethnic, cultural or linguistic heritage. We aim to include all pupils and parents in our school by respecting that diversity and reflecting it in our school environment, curriculum, learning resources and partnership with parents. We welcome the enrichment that linguistic and cultural diversity brings to our school community.

Admissions

No pupil will be refused admission on the basis of ethnicity or EAL. Pupils who have EAL will be admitted under the same criteria as any other pupil applying for a school place. Where parents do not speak English, we endeavour to provide oral and written information and help in first language which will facilitate the admission process and provide key information about our school. On admission, the pupil will have access to a welcome and induction programme which recognises their linguistic needs and provides a safe and secure start to their learning.

Provision

Pupils with EAL will have full access to mainstream provision regardless of their proficiency in English. Where necessary, additional support will be given to improve acquisition of English: this will be provided through Wave 1 and, where appropriate, Wave 2 teaching.

The following provision can be expected:

- initial assessment of EAL using QCA 'A Language in Common' to record stage of language acquisition where it is below English NC Level 2

Dream, Believe, Achieve.

- a further mother tongue assessment may be applicable where SEND is known or where further information needs to be gathered in the pupil's first language
- pupils will be placed in sets and groups which match their academic ability. Initially this may be in a middle-ability set until the pupil's academic strengths can be more fully assessed. Pupils will not be placed with SEND pupils unless SEND is indicated.
- Work in class will be differentiated for the pupils to lessen linguistic difficulties without significantly reducing academic challenge. Differentiated homework will be provided to enable the pupil to improve their knowledge and use of English and to participate in homework activities on an equal basis with their peers.
- Additional support for pupils may be given through: first language resources & translation facilities; teaching support on a 1:1 or small group basis, peer group support; pre-teaching of key concepts and vocabulary.
- Where necessary, catch-up work will be provided for pupils arriving from overseas who have experienced a different curriculum or who may have gaps in their schooling. Where pupils are ahead of their peer group in terms of learning, differentiation will be made in order to access learning at an appropriate level.
- Progress of EAL pupils will be monitored against both 'A Language in Common' (where below English NC level 2) and against National Curriculum indicators. Where accelerated progress in English is needed for reasons of EAL, targets will be set and provision made on agreement between the class teacher and the SENDCO. Provision will be recorded and monitored for effectiveness using the school's provision map, in line with standard practice for all vulnerable learners in the school. The pupil will not be placed on the SEND register for reasons of EAL.

Parental support

We recognise that some parents who are learning English may find it difficult to communicate with the school and approach the school regarding any concerns they may have on their child's progress. We endeavour to fully include EAL parents in the life of the school by, wherever possible, providing interpreting facilities at parents' evenings and other school meetings and by providing key school information in translated format.

Inclusion of pupils who are looked after in local authority care

Our school recognises that:

- Children who are looked after in local authority care have the same rights as all children but may have additional needs due to attachment issues, early neglect, separation and loss, trauma and many placement moves. These barriers to learning can affect their educational outcomes and their personal, social and emotional development.
- There are commonly understood reasons (Social Exclusion Unit Report :2003) why children who are looked after in local authority care often fail to make expected progress at school :
 - Placement instability
 - Unsatisfactory educational experiences of many carers

Dream, Believe, Achieve.

- Too much time out of school
- Insufficient help if they fall behind
- Unmet needs - emotional, mental, physical
- There is a statutory requirement for all schools to have a designated teacher (DT) for looked after children. (The name of the current designated teacher at our school is given later in this policy). The responsibilities of our designated teacher include:
 - monitoring the progress of children who are 'looked after' to ensure that they have the best life chances possible and access to the full range of opportunities in school
 - ensuring that children who are 'looked after' have access to the appropriate network of support
 - checking that the statutory Personal Education Plan (PEP) has been arranged and that it is reviewed termly
 - ensuring that information concerning the education of children who are 'looked after' is transferred between agencies and individuals
 - preparing a report on the child's educational progress to contribute towards the statutory review. (These are usually held at six monthly intervals or more frequently if there is a concern)
 - discussing feedback from the statutory review (chaired by the Independent Reviewing Officer) with social workers and, where necessary, the carers and a member of the Virtual School team.
 - liaising with the child's social worker to ensure that there is effective communication at all times
 - celebrating the child's successes and acknowledge the progress they are making.

Our school will work closely with the county's The Virtual School (VS) for Children which promotes the educational needs of Looked After Children and monitors admissions, PEP completion, attendance & exclusions.

Inclusion of pupils who are very able and/or talented

In this section the term 'very able' refers to pupils who have a broad range of achievement at a very high level. Those children who are very able have very well-developed learning skills across the curriculum. The term 'talented' refers to pupils who excel in one or more specific fields, such as sport or music, but who may or may not perform at a high level across all areas of learning:

- Physical talents: sports, games, skilled, dexterity
- Visual/performing abilities: dance, movement, drama
- Mechanical ingenuity: construction, object assembly (and disassembly), systematic, working solutions
- Outstanding leadership: organiser, outstanding team leader, sound judgements

Dream, Believe, Achieve.

- Social awareness: sensitivity, empathy,
- Creativity: artistic, musical, linguistic

We respect the right of all children in our school, irrespective of differences in ability, to access a number of areas of learning, and to develop the knowledge, skills, understanding and attitudes that are necessary for their self-fulfilment and eventual development into active and responsible adults.

The aims of our school make specific reference to teaching and learning that takes into account the needs of all children. They also identify the commitment to giving all our children every opportunity to achieve the highest of standards. This policy guides the way in which this happens for our very able and/or talented children.

Identification

Before identifying any child 'very able' in a particular area, we aim to ensure that all children have had the opportunity to learn and succeed in this area. This makes the identification process fair. Identification of pupils as 'very able' and/or 'talented' is a judgement which applies to the current class/school context and refers to the current level of performance only. This means that 'at this time this child is showing ability in a particular area'. Identification at our school does not necessarily mean that in another school or context the child would be identified.

A very able or talented pupil should be identified using a variety of methods. The specific procedure will vary according to subject area but will include elements of the following:

- teacher nomination
- assessment results
- specialist teacher identification
- parental nomination
- peer nomination
- self-nomination

Each year the school will draw up a register of very able and/or talented children; this list will be kept under review. Provision for very able and/or talented children will be tracked on the school's provision map

Provision

Teachers have high expectations and plan carefully to meet the learning needs of all our children. We give all children the opportunity to show what they know, understand and can do, and we achieve this in a variety of ways when planning for children's learning by providing:

- a common activity that allows the children to respond at their own level
- an enrichment activity that broadens a child's learning in a particular skill or knowledge area

Dream, Believe, Achieve.

- an individual activity within a common theme that reflects a greater depth of understanding and higher level of attainment
 - the opportunity for children to progress through their work at their own rate of learning.
- Children meet a variety of organisational strategies as they move through the school. Each strategy supports all children in their learning, but gives due regard to the more able and very able learner.

From Year 3 to Year 6 we set targets for English and Mathematics at the appropriate level. We teach the children in our classes with appropriate differentiation.

We offer a range of extra-curricular activities for our children. These activities offer very able and/or talented children the opportunity to further extend their learning in a range of activities. Opportunities include a range of sporting and musical clubs. School based provision includes opportunities for performance, artists in residence, specialist teaching and partnership with primary and secondary schools.

[Management of Inclusion within our school](#)

The Headteacher and the Governing Board have delegated the responsibility for the on-going implementation of this SEND Policy to the Special Educational Needs Coordinator (SENDCO). The SENDCO is responsible for reporting regularly to the Headteacher and the governor with responsibility for SEND on the on-going effectiveness of this policy. The SENDCO has strategic responsibility for the inclusion of children who have EAL and the achievement of vulnerable ethnic minority groups. The Designated Teacher for Looked After Children has strategic responsibility for the inclusion of children who are adopted or in local authority care.

All staff in school have a responsibility for maximising achievement and opportunity of vulnerable learners – specifically, all teachers are teachers of pupils with special educational needs and EAL. Staff are aware of their responsibilities towards all vulnerable learners and a positive and sensitive attitude is shown towards all pupils at all times.

[Headteacher](#)

Dream, Believe, Achieve.

- the Headteacher is responsible for monitoring and evaluating the progress of all pupils and for making strategic decisions which will maximise their opportunity to learn
- the Headteacher and the Governing Board will delegate the day to day implementation of this policy to the SENDCO
- the Headteacher will be informed of the progress of all vulnerable learners and any issues with regard to the school's provision in this regard through:
 - analysis of the whole-school pupil progress tracking system
 - pupil progress meetings with individual teachers
 - regular meetings with the SENDCO
 - discussions with pupils and parents

Special Educational Needs Coordinator

In line with the recommendations in the SEN Code of Practice 2014, the SENDCO will oversee the day-to-day operation of this policy in the following ways:

- maintenance and analysis of whole-school provision map for vulnerable learners
- maintaining a list of pupils with special educational needs – those in receipt of additional SEND support from the schools devolved budget, those in receipt of High Needs funding and those with statements of Special Educational Need or Education Health and Care plans
- co-ordinating provision for children with special educational needs
- liaising with and advising teachers
- liaising with and advising other classroom staff involved in supporting vulnerable learners
- overseeing the records on all children with Special Educational Needs
- liaising with parents of children with SEND, in conjunction with class teachers
- contributing to the in-service SEND training of staff
- implementing a programme of Annual Review for all pupils with a statement of special educational need. Complying with requests from an Education Health and Care Plan Coordinator to participate in a review.
- carrying out referral procedures to the Local Authority to request High Needs funding and/or an Education Health and Care Plan when it is suspected, on strong evidence arising from previous intervention (additional SEND support from devolved budget), that a pupil may have a special educational need which will require significant support,
- contributing to the smooth running of transition arrangements and transfer of information for Year 6 pupils on the vulnerable learners' provision map.

Dream, Believe, Achieve.

- monitoring the school's system for ensuring that Pupil Passports, where it is agreed they will be useful for a pupil with special educational needs, have a high profile in the classroom and with pupils
- evaluating regularly the impact and effectiveness of all additional interventions for all vulnerable learners (including those with special educational needs).
- meeting **at least** termly with each teacher to review and revise learning objectives for all vulnerable learners in their class who are being tracked on the school's provision map (school managers will guarantee planning and preparation time for teachers and SENDCO to ensure that these meetings occur).
- liaising sensitively with parents and families of pupils on the SEND list, keeping them informed of progress and listening to their views of progress.
- attending area SENDCO network meetings and training as appropriate.
- liaising with the school's SEND Governor, keeping him/her informed of current issues regarding provision for vulnerable learners, including those with Special Educational Needs (nationally, locally and within school).
- liaising closely with a range of outside agencies to support vulnerable learners.

Ethnic Minority Achievement Coordinator (as part of the SENDCO role)

The SENDCO will oversee the day-to-day operation of this policy in the following ways:

- maintenance of a list of pupils with ethnic minority heritage and EAL, ensuring they are identified on the school's provision map
- maintain and analyse the whole-school provision map for vulnerable learners from ethnic/linguistic minority backgrounds
- advising on and co-ordinating provision for children with additional needs relating to ethnic or linguistic background
- working collaboratively with teachers to plan for and teach children with EAL as part of mainstream teaching practice
- managing other classroom staff involved in supporting ethnic/linguistic minorities
- overseeing the initial and on-going assessment records on all children with EAL
- liaising with parents of ethnic and linguistic minority children, in conjunction with class teachers, keeping them informed of progress and listening to their views of progress.
- meeting **at least** termly with each teacher to review the linguistic progress of children learning EAL and establish next steps in learning
- evaluate regularly the impact and effectiveness of all additional interventions for children from cultural and linguistic minority backgrounds.

Dream, Believe, Achieve.

- oversee the smooth running of transition arrangements and transfer of information for Year 6 pupils with EAL.
- contributing to the in-service EAL training of staff
- supporting the design and delivery of a culturally inclusive curriculum which reflects the ethnic, cultural and linguistic diversity of the school
- advising on and sourcing bilingual and culturally reflective materials to support children's learning across the curriculum
- advising on and sourcing interpreters and materials in translation to ensure that bilingual parents have equality of access to essential information
- attending EMA Co-ordinator network meetings and training as appropriate.
- liaising with the school's Inclusion Governor, keeping him/her informed of current issues regarding provision for ethnic/linguistic minorities.
- liaising closely with a range of outside agencies to ethnic & linguistic minority learners

Class teacher

- liaising with the SENDCO to agree :
 - which pupils in the class are vulnerable learners
 - which pupils are underachieving and need to have their additional interventions monitored on a vulnerable learners' provision map – but do not have special educational needs.
 - which pupils (also on the provision map) require additional support because of a special educational need and need to go on the school's SEND list. Some of these pupils may require advice/support from an outside professional and, therefore, an Individual Education Plan to address a special educational need (this would include pupils with statements/EHC Plans)
- securing good provision and good outcomes for all groups of vulnerable learners by :
 - providing differentiated teaching and learning opportunities, including differentiated work for EAL pupils which reduces linguistic difficulty whilst maintaining cognitive challenge
 - ensuring there is adequate opportunity for pupils with special educational needs to working on agreed targets which are genuinely "additional to" or "different from" those normally provided as part of the differentiated curriculum offer and strategies". (SEN Code of Practice 2013)
 - ensuring effective deployment of resources – including teaching assistant support - to maximise outcomes for all groups of vulnerable learners.

Dream, Believe, Achieve.

- In accordance with Section 6 of the SEN Code of Practice 2014, if appointed after September 2008, our Special Educational Needs Coordinator will be a qualified teacher working at our school and will have statutory accreditation. If a new SENDCO is appointed, he/she will gain statutory accreditation within three years of appointment.
- All staff will be trained in how to best support all vulnerable learners in order to maximise their achievement as part of the school development plan and annual schedule of continuous professional development.

Dream, Believe, Achieve.

4. Information about equipment and facilities to support children and young people with special educational needs can be found in the School Offer.

- When specialist equipment or a high level of staffing support is required to support a pupil with special educational needs, our school will fund this as additional SEND support up to £6,000 per annum for each individual pupil. Thereafter, if the cost is higher and the provision of these facilities is likely to be prolonged, the school will apply to the Local Authority for High Needs Block Funding.

5. The role played by the parents of pupils with special educational needs (and other learning needs).

Partnership with Parents/Carers

The school aims to work in partnership with parents and carers. We do so by:

- working effectively with all other agencies supporting children and their parents
- giving parents and carers opportunities to play an active and valued role in their child's education
- making parents and carers feel welcome
- encouraging parents and carers to inform school of any difficulties they perceive their child may be having or other needs the child may have which need addressing
- instilling confidence that the school will listen and act appropriately
- focusing on the child's strengths as well as areas of additional need
- allowing parents and carers opportunities to discuss ways in which they and the school can help their child
- agreeing targets for all pupils, in particular, those not making expected progress and, for some pupils identified as having special educational needs, involving parents in the drawing-up and monitoring progress against these targets
- keeping parents and carers informed and giving support during assessment and any related decision-making process
- making parents and carers aware of the Parent Partnership services.
- providing all information in an accessible way, including, where necessary, translated information for parents with English as an Additional Language.

Dream, Believe, Achieve.

Involvement of Pupils

We recognise that all pupils have the right to be involved in making decisions and exercising choice. In most lessons, all pupils are involved in monitoring and reviewing their progress through the use of layered targets. We endeavour to fully involve all pupils by encouraging them to:

- state their views about their education and learning
- identify their own needs and learn about learning
- share in individual target setting across the curriculum **so that they know what their targets are and why they have them,**
- self-review their progress and set new targets
- (for some pupils with special educational needs) monitor their success at achieving the targets on their Individual Education Plan.

Effective Transition

- We will ensure early and timely planning for transfer to a pupil's next phase of education and, in the year before the year in which they leave, will offer transition meetings to all pupils in receipt of Additional SEND support and all those with statements of Special Educational Needs. Pupils with Education Health and Care Plans will have next phase destinations and transition arrangements discussed at plan review meetings convened by the plan coordinator.
- Support for the pupil in coming to terms with moving on will be carefully planned and will include familiarisation visits. Pupils will be included in all "class transition days" to the next phase but may also be offered additional transition visits.
- Pupils and parents will be encouraged to consider all options for the next phase of education and the school will involve outside agencies, as appropriate, to ensure information is comprehensive but easily accessible and understandable. Accompanied visits to other providers may be arranged as appropriate.
- Parents will be given a reliable named contact at the next phase provider with whom the SENDCO will liaise

Admission Arrangements

No child will be refused admission to school on the basis of his or her special educational need, ethnicity or language need. In line with the Equalities Act 2010, we will not discriminate against disabled children and we will take all reasonable steps to provide effective educational provision (*see Admissions Arrangements for the school, as agreed with the Local Authority*).

Complaints

If there are any complaints relating to the provision for children with SEND or EAL these will be dealt with in the first instance by the class teacher and SENDCO/EMA Co-ordinator, then, if unresolved, by the

Dream, Believe, Achieve.

Headteacher. The governor with specific responsibility for SEND may be involved if necessary. In the case of an unresolved complaint the issue should be taken through the general Governors Complaints Procedure (see separate Complaints Policy).

7. Information on where the local authority's local offer is published.

<http://www.somerset.gov.uk/policies-and-plans/schemes-and-initiatives/somerset-local-offer/>

This policy will be reviewed annually by the SENDCO and the governor with responsibility for SEND.

Date approved by Chair of Governors:
