

Music

We use the BBC Ten pieces and celebrate the music of Tchaikovsky.

DT

In DT we shall focus sewing techniques to design and make finger puppets.

Art

Through cross curricular links, we explore the work of Tracy English and also create our own 3D scarab beetles out of clay.

Wellbeing

Wellbeing is a priority for all of us at St Benedict's. We continue to undertake yoga and meditation sessions to aid wellbeing and self-reflection in addition to our PSHE lessons.

Forest school/outdoor learning

We shall be taking our learning outside as much as possible. Whether this be reading, spelling practice or looking after our flowers in the local community.

Geography

This term we learn about Rivers and more specifically the River Nile as part of our Ancient Egypt Topic.

RE

What do Jewish people believe about G-d and the Covenant and Torah? (Links with Passover)

In the Spring term we will be learning about Judaism. We will explore the lives of Abraham and Moses, the festival of Passover as well as Jewish homes and worship.

Computing

In computing this term we look at publishing documents. This includes understanding fonts and symbols are used to convey information.

In addition, in E-safety we will focus Privacy online. This will focus on keeping our information safe and private as well as understanding about healthy relationships

Year 3 Spring Term

English

We teach English using a Talk for Writing approach which enables children to imitate the language they need orally, before reading and analysing it, and then writing their own version.

This term we explore the traditional tale of Cinderella and then write information texts about Trolls.

Alongside this, we will continue to teach the grammar, punctuation and spelling.

Spelling words will be taught and set on Monday, and tested on Friday.

Maths

In maths we use the 'White Rose' mastery approach to support our planning and teaching.

This term we will learn about measure which will include time, weights and measure. We shall also focus on shape and data.

Maths homework will be practicing times tables through Sumdog and TTRockstars. Another focus will be for the children to continue to learn their timetables, with the expectation that children will know their 10x, 5x, 2x, 3x, 4x, and 8x tables in preparation for Year 4.

PE

In PE we follow the real PE programme which meets all National Curriculum requirements through a range of activities and games designed to enhance children's physical skills. In addition, we also do regular 'Mile Runs' to encourage regular physical exercise.

Science

This term, we learn about the human body and why and what we need to do to be healthy. We learn the bone names and the muscles functions.
